

2014 ISHA Annual Conference Grant

The Board of Directors of the International Sports Heritage Association (ISHA) has established an Annual Conference Grant, supported through the Founders Fund, to provide financial assistance up to \$1,000 to support ISHA annual conference attendance by a member institution. This year's conference is October 27-29, 2014 at the Tennessee Sports Hall of Fame in Nashville, Tennessee, USA.

This year, due to support from Selago Design, Inc., there will be up to three (3) travel grants provided to regular ISHA member (not for profit) institutions to provide a maximum of \$1,000 per person per organization in order that one or more representatives of their organization are able to attend the ISHA annual conference. Conference registration fee(s) will also be waived.

Eligibility:

- The grant is open to paid employees working in an ISHA Member organization in a full or part-time capacity.
- It is also open to volunteers of an ISHA Member organization who contribute their time and service on a consistent basis.
- Either the applicant or the sponsoring organization must have a valid ISHA membership.
- Applicants may receive a maximum of one (1) ISHA Annual Conference Grant within a five (5) year period.

Deadlines:

- The deadline for applications in 2014 is **July 15th**.
- The monies will be released upon submission of original receipts as proof of attendance, and a summary report within 30 days of the conference. The report should include a 250 word summary for publication in the ISHA Newsletter and on the ISHA web site.

Judging Procedures / Ranking System:

- Applications are judged by the ISHA grants committee, selected from the board and individual members of the association.
- Judging is based on a ranking system. All sections of the application narrative are allotted points which the grants committee uses to score each submission. There are 14 total points. The grants committee will review the content of each application and award points (noted on the application) based on the following:

Impact: How your attendance at the conference will impact your professional development as it relates to sports heritage (its value in promoting, preserving, or protecting heritage resources), its educational value to the museum and its community in presenting new information or interpretations, its ability to provide new information, techniques or skills useful to museum workers and / or custodians of sports heritage.

HERITAGE
ASSOCIATION

Need: How your attendance addresses a demonstrated need within your museum and / or community.

Budget: Points will be awarded for sound, reasonable, and accurate figures.

Supporting Documentation Requirements:

The application must include the applicant's curriculum vitae, job description and a letter of support from their employer, institution or Chair/President of their Board of Directors.

About Selago Design, Inc.:

Selago Design, Inc. designs software to manage and promote collections of all types and sizes. Their products and services are used around the world by museums, galleries, archives, public and private collections.
