2022 ISHY Awards

The purpose of the ISHY Awards is to recognize the excellent work done by our member institutions on a variety of levels regardless of size or budget, based upon a competition evaluated by ISHA members and museum professionals. Associate and Individual members are not eligible for this competition.

The ISHYs are comprised by six different categories. There are multiple classifications of competition based on the institution's annual operating budget and/or project budget. Simply indicate your organization's classification on the form.

QUALIFICATIONS

- Submit only one entry **per category**. More than one entry per category by a single institution will disqualify those entries. In other words, you cannot compete against yourself in a single category, such as by entering two books in *A. Books*. You may enter any other remaining categories (A. through H) based on your materials.
- All entries must have been produced (completed) between January 1, 2021 and March 31, 2022 to be eligible for the 2022 ISHY Awards. No entry can be submitted a second time due to date overlap in the annual competition.
- All entries must have been created solely for the submitting institutional member.
- **Digital files will be accepted along with a completed form this year as well. Please send those files to saleem.choudhry@profootballhof.com for distribution to the ISHY Awards Committee.** For questions or to submit large files, please contact Saleem Choudhry at 330-588-3614.
- For those wanting to submit hard copies: Enclose **three (3) original copies per entry** with **three (3) copies of this completed form** per category (original printed materials, electronic communications on CD or by providing links to active web pages) by **United States Postal Service first class mail** or **US Priority Mail** to be postmarked no later than **July 30, 2022** to ISHA headquarters. **PLEASE NOTE THAT OTHER CARRIERS (SUCH AS FEDEX, UPS, OR DHL) WILL NOT DELIVER TO P.O. BOX. PLEASE NOTE ISHA'S UPDATED MAILING ADDRESS BELOW:**
